

Kamloops Surgical Centre Ltd.

Job Description: Pre-Operative LPN

Job Title:

Pre-Operative LPN

About us

Kamloops Surgical Centre is a locally owned business established in 2003. Catering for a variety of surgeries including, orthopedics, dental, general surgery, plastics, cosmetic, neuro, and cataract removal, we have three operating rooms and a six bedded recovery area. We also have our own in house Medical Device Reprocessing department and are accredited by the College of Physicians and Surgeons of British Columbia.

Job description

Kamloops Surgical Centre (KSC) is seeking a part time Licensed Practical Nurse.

This position is perfect for someone looking for part time work in a great environment, whether you are a new grad, or looking for an ideal opportunity to cement new skills (or refresh old ones). There will be full clinical support provided.

We would like an LPN to join our team for a short-term contract, starting immediately until the end of June 2024. The role requires specific shifts; Monday – Thursday from 07:00 to 15:00 (could do 06:30-14:30 if needed). We will provide all training needed; no experience necessary.

The Kamloops Surgical Centre offers:

- A competitive rate of pay
- Monday to Friday work weeks
- **No** on call
- Scrubs are provided, so the only thing you need to bring to work is yourself!
- Coffee and tea provided
- If the working environment is important to you, this could be the perfect place for you.

Reports to:

Director Surgical Services

Qualifications required:

- Licensed Practical Nurse – current practicing license.
 - CPR certification required
-

Physical Requirements

Strength Guidelines

- The ability to lift 20-30 pounds is essential for participation in patient care.
- Physiological ability to remain standing for prolonged periods.

Motion Parameters

- Will require use of stairs, bending, squatting, twisting.

Vision and Hearing Requirements

- Vision and hearing must be good with the ability to hear in noisy situations.

Psychological Demand

- Calm demeanour is essential with the ability to make quick decisions under stressful circumstances.
- The ability to prioritize multiple demands and remain calm and confident in your decision making is essential.
- To have the ability to communicate effectively to people from diverse cultural, educational, and professional backgrounds.

Our small but very experienced team, from a variety of backgrounds, wants to welcome you to our centre!

If you think that you want to work in an ideal workplace environment, then please send your cover letter and resume to:

Carole Capper, MSc. RN. ONC. PGCE. PAN(C)
